CVS RAPID TESTING SITE
60 SARGENT DRIVE

Step 1 - Register online or over the phone with the Health Department.
  • CT Residents Only: To Register for NO COST Testing, please visit: www.cvs.com/minuteclinic/covid-19-testing If you do not have a computer to access the website, please call the NH Health Department Hotline at 203-946-4949 for assistance

Step 2 - Identify if you are eligible for a rapid test.
  • The following criteria are to determine eligibility for testing:
    ▪ Fever of 100 degrees or higher
    ▪ New cough within last 14 days
    ▪ Shortness of breath
    ▪ Exposure to or contact with someone with COVID-19 in the last 14 days
    ▪ Immuno-suppressed
    ▪ Pregnant

Step 3 - Stay in your vehicle, and bring your CT ID.
  • Access is by vehicle only. You must remain in your vehicle at all times. No vehicle may be larger than a passenger SUV. There may be no more than 2 people in each vehicle. It is recommended that each vehicle contain only one person. You MUST have a CT Identification card with you.

Step 4 - Do you need a ride?
  • New Haven residents that are unable to drive to the site and may have a disability, are elderly, or do not drive, can access the site by calling 211. This must be done 30 minutes before your scheduled time of appointment. An M7 vehicle will pick you up and return to your residence once testing is completed. There is no charge for this service for New Haven Residents.

Step 5 - How long will the test take?
  • This is a self-administered test by swabbing inside of the nose. The testing process takes approximately 30 minutes from the collection of the swab to the delivery of the results. Anyone who does not have an appointment will not be tested.
